IPPOLITO INTERNATIONAL

Grower Packer Shipper

Ippolito International is a full-service vegetable supplier. Focusing on the wholesale, retail, and foodservice industries across the USA & Canada.

YEAR-ROUND SUPPLY

We alternate our growing and shipping locations between California, Arizona and Mexico to ensure a steady, uninterrupted supply of fresh produce year-round.

From Salinas, we coordinate all farm and harvest operations on the West Coast, including Mexico, by aligning supply and demand, thus ensuring the freshest possible products.

FOOD SAFETY

We take extreme care to ensure the freshness and safety of our products.

Ippolito International is a signatory member of The California Leafy Greens Marketing Agreement. We have an extensive food safety program that covers all aspects of our operation, from growing through packing and shipping. Our third party audits are conducted by The Leafy Greens Association in California and Arizona as well as Primus Labs and NSF Davis Fresh Technologies.
